

COVID Competition Policy

Palmyra Rifle Team

Revised 1/2/2021

Pre-Match Procedures:

1. Athletes will self-monitor themselves. Any participants who exhibit the following should not attend the completion (Chills, Shortness of breath/trouble breathing, body/muscle aches, loss of taste or smell, nausea or vomiting).
2. Attendee and match staff temperatures will be taken using a contactless thermometer and if it is over 100.4 deg F, they will be asked to leave the range.

Match Procedures:

1. Please limit the number of individuals attending the match to one person (coach or parent) per athlete or less.
2. Coaches and Parents will be outside the range their athlete is competing. For example, if they are competing on the air rifle, then they should either at the back of the air rifle range or in the room immediately outside that range.
3. Attendees should social distance from others outside their group. This is a recommended minimum distance of 6 feet and minimizing body to body contact.
4. Masks or PPE are required by everyone at any point while inside the clubhouse.
5. The only exception to mask wearing is when the athletes are one the firing line between the barriers separating the firing points. The athletes will need to wear masks when outside the plastic barriers.
6. High traffic areas will have bottles of hand sanitizer available.
7. Common areas will be disinfected by volunteers throughout the competition.
8. Food will be served with a shield between volunteers and attendees. All necessary precautions will be taken to ensure food safety.

The purpose of this document is to provide a match environment that is as safe as possible for athletes, coaches, parents, and match staff during the current COVID situation.

Please understand that the match policy may change as the COVID and the above procedures within this policy does not guarantee the possibility of contracting COVID.
